

PROGRAMS

DAY CAMP PROGRAM

Black Elk Hockey Camp offers week-long day camps for males and females 6 to 15 years of age. Players are grouped according to age and level played in their most recent season. Day Camp programs provide a wide variety of activity both on and off the ice.

ON ICE

Players participate in power skating and skills sessions each day. Instruction and development provided in skating technique, balance, acceleration, starting and stopping. Skills instruction provided in stickhandling, passing, pass-receiving and shooting.

OFF ICE

Skill development offered through a variety of activities that help with agility, balance, coordination and speed. Programs are based on age and skill level and focus on fun activities that support the development and/or improvement of fundamental movement and sport skills.

CHALK TALK

Short, interactive and educational classroom sessions that cover topics such as defensive, neutral and offensive play; team play, as well as nutrition and lifestyle choices. Younger groups will have sessions on equipment and rules.

GAME TIME

Players will have the chance to put their skills to work in two scrimmages scheduled throughout the week as well as a final game on the last day of their camp.

CLINICS

Optional Shooting and Defence clinics are available to participants registered in our Day Camps. Each clinic provides 4 one-hour ice sessions scheduled throughout the week. Participants attend all four sessions and may register in a maximum of 2 clinics.

Clinic sessions are scheduled either before or after day camp hours. Please note that there may be blocks of time between the day camp and the clinics and parents will be responsible for their child during that break.

Shooting

Age/Level Requirement: Must be at least 8 years old
Shooting clinics work to improve speed and accuracy of shots. Emphasis is placed on technique, speed and accuracy of wrist, backhand, snap, flip and slapshots.

Defence

Age/Level Requirement: Must be at least 10 years old
Players will learn skating techniques specific to the position as well as one-on-one play, play in front of the net, corner play, pinning and other aspects of defensive and team play.

GOALIE SESSIONS

While goalies attend the regular day camp program, additional sessions are provided for goalies only. Many aspects of good goaltending are taught and practiced including butterfly techniques, angling on shots, low & high shots, play behind the net and controlling rebounds to name a few. Goalies are also invited to attend shooting clinics free of charge.

HALF DAY CAMPS (5-6 years of age)

Black Elk Half Day camps target young children who have some skating experience and looking to try the sport of hockey for the first time. The program is also suitable for initiation level players looking to build their confidence on the ice in a shortened session. On ice program is modified to age and skill level and off ice activities are reduced to fit into the half day schedule.

3-ON-3 CAMPS

Black Elk 3-on-3 camps include 7 ½ hours of ice time over a 5 day period in 1 ½ hour sessions. Each session is one-third fast paced, high tempo, junior style drills plus two-thirds 3-on-3 scrimmage which includes lots of puck handling, skating and conditioning.

CONDITIONING CAMPS

Black Elk Conditioning Camps are designed to prepare players for the upcoming season. Younger players can expect a focus on skill development (skating, shooting, puck-handling) while staying very busy on the ice. Older players will participate in conditioning drills, small area games and some scrimmage to prepare them for evaluations. Conditioning camps can be tailored to meet any Association's needs.

Agreement

The applicant agrees that Black Elk Hockey Camp and its agents will not be held responsible for any accident or loss, however caused, and agrees to release its agents from all claims or damages which may arise as a result of or by reason of such accident or loss. The camp will not be held responsible for any acts of Nature (floods, lightning, power failure, tornadoes, etc.) which may result in the termination of the camp itself during July 30, 2017 - September 30, 2017.

Refunds will be issued up to July 1, 2017 less the \$100.00 deposit. After July 1, 2017, refunds less the \$100.00 deposit will be issued in the event of injury when accompanied by a doctors certificate. In the event of injury during the camp, the appropriate portion of the registration fee will be refunded if the request is accompanied by a doctors certificate. No refund will be given if a player leaves on his/her own accord or is expelled from the camp. It is the parents responsibility to ensure that all equipment is safe and appropriate.

I consent to the use and disclosure, by Black Elk Hockey Camp, of the personal image of my child for promotional and/or informational purposes which may include brochures, audio-visual productions, print and electronic documents or productions. Your child's personal image and information will be protected in compliance with the provisions of the Freedom of Information and Protection of Privacy Act of Alberta.

Testimonial

"My son just completed the camp in Grande Prairie. I just want to give a huge "thank you" to all the coaches and staff that participated in running this camp. My son really enjoyed it and I was completely satisfied. We have had some bad luck with other camps in the past, but Black Elk Hockey Camp was great. There was a lot of information right from the get go, and also, a lot of supervision, which is hugely important." — Tara Dreger
