Big Rock Basketball Camps have been going strong for 23 years. Our Camps have always stressed skills by providing quality instruction in a fun and competitive environment. Campers will learn and develop the fundamentals needed to play, and are provided with plenty of opportunity to use these skills in game situations. Along with basketball skills- sportsmanship, team play, and personal development are stressed throughout this very busy week. We have a higher coach to camper ratio than any other camp to ensure that each attendee gets as much attention as possible.
