Playoffs

All venues subject to change with Junior A and Junior B Playoffs. We need to be a little flexible with these games

All Matches will be best of 3 capped at 27 with third game if needed capped at 17

Boys will play 4 team round robins (these will be late nights) to determine the top 2 teams in each pool. Then those top 4 teams will play a mini tournament for championship. Please plan on either starting early (say 2:00pm) or running past 6:00 pm on these nights

Girls will be split into North and South Pools for two mini- tournaments to determine 2 champions. Please plan on starting early and running late these nights.
