

# THE TERRY FOX RUN

## SEPTEMBER 2019

# TOONIE FOR TERRY

Dear Parents:

This September our school will be participating in the annual Terry Fox School Run.

We are asking each student to bring in a TOONIE FOR TERRY on run day - to honour Terry's legacy and inspire cancer survivors (and researchers) with the support of students and families across the country.

We are joining forces with **255 schools** in the Alberta region who consistently fundraise an average of \$1/student. If the **115,000 students** attending these schools increase their donation to a toonie, from a loonie, collectively we will provide an additional **\$267,000** for cancer research. This increase could represent one full year of funding for a research program in Canada - just by shifting from a loonie to a toonie!

## LET'S **DOUBLE** OUR IMPACT

Terry Fox Run events are 100% volunteer driven so they can keep costs low and distribute **0.79 cents** of every dollar to research. They fund innovative projects like Terry Fox Profyle that focuses on hard to treat cancers in youth and will continue to invest in bold projects that will accelerate precision medicine and revolutionize treatment and research.
